

## ERD – Exercise 1

### Sale My House

"Sale My House" is a real estate company in Israel.

- Houses for sale are located at a specific Neighborhood.
- Each neighborhood is part of a city. (As we know, in a city there are many neighborhoods)
- Each house is from a house type, such as: villa, apartment, penthouse, etc.
- Each house has an owner which is a customer of the company.
- A sale (of a house) is made to a new owner (customer of the company) and in a sale a customer can buy only one house.
- A Sale is made by a salesman (A company worker).
- Each salesman specializes in different house types, and sometimes there are several salesmen that specialize in the same house types.
